Why Should I Join a Sunday School Class?

Our desire at Trinity is for every person who attends to be involved in a small community of believers that we call Sunday School. Life is meant to be shared with others. Sunday School provides a small community of friends who care for one another, fellowship together, and help each other grow spiritually in God's Word. Our mission is simple in Sunday School: **Love God** through life changing Bible study, **Love People** by caring and ministering to one another, and **Serve the World** by reaching out to others for Christ. Whatever your age or stage in life, there's a group for you and every member of your family. Our prayer is that you will find a group that will make you a stronger person in Christ and a place where you can develop true spiritual friendships for life. Classes begin at 9:45 AM each Sunday. Come give it a try this week.

Silver Saints

In addition to our Sunday School classes for senior adults there is also the Silver Saints group. Silver Saints is a group of our young-at-heart seniors (55 and older) who enjoy Christian fellowship, food, and fun. They meet once a month, usually the third Thursday of the month, alternating between on-site and off-site programs. A typical on-site meeting includes singing, a devotion by one of members, a program geared toward the seniors' interests, and a covered-dish luncheon.

An off-site program consists of a devotion and a day- or multiple-day visit to such attractions as the Jacksonville Zoo, the Alhambra Dinner Theater, a trip to Cedar Key or St. Augustine, or a four day trip to the mountains in the Fall.
